To Whom It May Concern:

It is with distinct pleasure to write this letter of recommendation for Gene Cookenboo of Presidential Worldwide Transportation.

Destination Services of Colorado is a corporate meeting and event planning company with our business focus primarily on Fortune 100 – 500 Companies. One of our primary services to our clients is transportation and quite often it may be the only service that we provide. We have used Presidential's services exclusively for the past 3 years as their professionalism and keen attention to details have been consistent day in and day out. The overall leadership and service that Gene and his company have provided to us has been a huge piece of our company's success in the Denver market.

If you have any further question regarding our praise for Mr. Cookenboo, please do not hesitate to call!

Respectfully,

A handwritten signature in black ink, consisting of several loops and a long horizontal stroke extending to the right.
